Theme: Mock GD-PI Sessions

Date: 2nd August 2025

Conducted by: INFINITE CLUB

Team inFINite, The Finance Club at SIMS Pune, organized a **Mock Placement Readiness Series** for second-year Finance specialization students to prepare them for the 2025-26 final placement season. The comprehensive series, spanning multiple days in August 2025, simulated a full placement cycle to enhance students' analytical thinking, communication, and interview skills.

The process consisted of three components: **Aptitude Test, Group Discussion (GD), and Personal Interview (PI)**. The 90-minute Mock Aptitude Test assessed logical, quantitative, behavioral, and basic finance technical knowledge. The two-day GD round of each session involved 96 students discussing both abstract and finance-specific topics, judged on communication and teamwork. Finally, the two-day PI session focused on assessing domain expertise, career clarity, and technical knowledge through resume-based and scenario-handling questions. External guests were invited as panelists to provide real-time feedback and evaluation on student performance.

Theme: SIP Preparation Session for Finance Specialisation
Date: 23rd August 2025
Conducted by: inFINite team

The SIP Preparation Session was organized for the first year Finance specialization student managers to ready them for the upcoming summer internship season. Held on August 23, 2025, the event featured two guest speakers from the finance sector. The session's primary goal was to provide an overview of the **SIP placement process for freshers**. The guests offered insights into the expected interview questions for both experienced and non-experienced candidates from diverse academic backgrounds (Commerce, Engineering, etc.). The session concluded with an interactive Q&A segment, allowing students to address their specific queries regarding finance internship preparedness. A total of 71 students attended the session.

Annual Event: STRATAGEM'25

Theme: Application of AI in Finance and the Upskilling Required to Survive the Wave of AI in the Work Environment

Date: 13th September 2025

Conducted by: inFINite team

On 13th September 2025, the Infinite Club organized **STRATAGEM 2025** with the theme "**Application of AI in Finance and the Upskilling Required to Survive the Wave of AI in the Work Environment**". The event focused on exploring the practical applications of Artificial Intelligence in the finance sector, to highlight the critical skills and competencies required for professionals to adapt, remain relevant, and thrive in an AI-driven financial work environment. The discussion also provided an opportunity to make students aware of ethical issues like data privacy, fairness, and responsible use of AI in finance.

- Industry leaders from HSBC, Grihum Housing Finance, and LoanTap Financial Technologies discussed the importance and applications of AI in the finance sector and in fields such as risk management, fraud detection, investment analysis, financial forecasting, and customer service.
- Attendees engaged in panel discussions, Q&A sessions, and networking opportunities.

The event was highly beneficial for professionals to get aware of the latest changes induced and created by Artificial Intelligence in the finance sector.

BARCODE Event: FinArena

Title: Save the Billionaire

Theme: Financial Wizardry and Strategic Portfolio Management

Date: 11th October 2025

Conducted by: inFINite team

“**SAVE THE BILLIONAIRE**” challenge, testing the financial acumen of students from various colleges of Pune, Mumbai, and other cities. The competition began with an online quiz, which saw 43 teams qualify for the subsequent rounds. The final offline stage was a Portfolio Management Presentation where the top teams of 9 teams of 2 students pitched their strategies at the SIMS Campus.

The participants were given a **corpus of ₹10 crore** and tasked with analyzing, valuing, and presenting their opinion on whether a billionaire should pursue a specific investment idea. Teams had only 15 minutes for their presentation, including Q&A, using a maximum of five content slides. The event served to apply financial knowledge to real-world scenarios, sharpen skills in valuation and decision-making, and offer cash prizes and professional recognition for the top three winners.
