- Water testing of all 40 water testing points is done every month.
- Ground floor water testing is done every month.
- Water coolers and water dispensers are cleaned every weekend.
- Registered complaints are always attended and actions are taken as soon as possible

- Sanitary napkin bins are replaced in every 15 days.
- Fogging is done once in every week.
- Parcels are collected every 7 days a week.
- Microwave and hot plate are cleaned everyday.
- Dustbins and rooms are cleaned every alternate days.
- Monthly safety drills are also conducted.

- Refrigerators are cleaned every weekends.
- Elevators are cleaned every week and servicing is done every month.
- Study rooms are cleaned everyday.
- Alpha and Franc are taken care of and their pool is cleaned every weekend.

- Ev vehicle board has been installed.
- Fire drills are conducted often.
- Issue regarding the kittens has been resolved.
- Water supply problems are always attended and resolved.
- Physical inspection of all tanks (overhead & underground) are done on regular basis.
- Issues regarding the hostels are frequently discussed with the wardens and resolved.

2. MESS

- New dry waste bins were installed in the mess.
- Hand dryers were installed on all three floors of the mess for the convenience of student managers.
- New dishes were added to the menu on the recommendation of student managers, which included the addition of fruits to the breakfast menu.
- Monthly mess meeting is conducted by the team with the class representatives to discuss any issue or feedback related to the hostel mess.

- The infrastructure team monitors the cleanliness of the mess, and in case of any deviations, it is rectified as soon as possible.
- The water coolers are cleaned weekly, and the team monitors them. Also, the records are near the water coolers, which student managers can check.
- The wastebins in the mess are cleaned twice a week and are monitored by the team.
- New water taps have been installed in the hand washing area to avoid water leakage.
- Broken seats in the mess are being repaired, and all the seats will soon be functional.

3. EMOTIONAL SUPPORT ANIMALS

A new member has been welcomed with open arms – Franc, a loving and loyal Labrador. Franc's gentle and nurturing nature makes them the perfect addition as an emotional support animal, providing comfort and companionship to both the students and the members of the SIMS.

Alongside Franc, Alpha, the esteemed Labrador of SIMS, continues to exude warmth and affection, forming a dynamic duo of canine companionship within the Sims family.

Together, Franc and Alpha bring an abundance of love and joy to their human counterparts, enriching the surroundings with their unwavering loyalty and unwavering presence.

NEW INITIATIVES

1. SIT OUT

The newly constructed sit-out near the mess exudes an inviting atmosphere, accommodating around 30 students comfortably. Adorned with enchanting lights, the ambience of the space is warm and welcoming, providing a cozy setting for students to unwind and socialize. The thoughtful design incorporates two open walls, creating an open-air feel that connects occupants with the surrounding environment. This architectural choice not only enhances ventilation but also offers an immersive experience, allowing students to enjoy the natural surroundings.

The sit-out serves as a vibrant social hub, fostering camaraderie and relaxation. Whether students choose to gather for casual conversations, group study sessions, or simply to enjoy a moment of solitude, the sit-out provides a versatile and aesthetically pleasing space for a diverse range of activities. Its strategic location near the mess ensures convenience, making it a popular spot for students to enjoy meals while immersed in the refreshing ambience of this thoughtfully designed outdoor space.

2. STUDY ROOMS

Mogra Hostel's ground floor now houses two brand-new study rooms. Perfect for focused learning, these spaces offer students a conducive environment for academic pursuits. With ample resources and a serene atmosphere, they promise to be a hub for productive study sessions.

3. EV CHARGING POINT

A new charging station for electronic vehicles is now available on the ground floor of the girls' hostel. This convenient addition ensures residents can easily power up their devices. Embracing sustainability, our college continues to enhance facilities for a tech-savvy and eco-friendly campus.

EVENTS

1. GANESH CHATURTHI

On the 19th of September, Ganpati Bappa came to SIMS to bless us all. Bappa was greeted with tremendous zeal and by the tunes of “Dhol” and “Tasha.” It was a 2 day event.

The idol was placed in the study room, which had been decorated with bright lights which were strategically placed throughout the stage, along with magnificent flowers and Satyanarayan Puja was also conducted.

In the evening, team conducted an open mic event for all the student managers, singing songs and poetry was performed by them. This made that evening unforgettable.

2. MATCH SCREENING

Team Infra organized a screening of the India vs. Pakistan and India vs Australia World Cup match in Mess 2nd Floor. The event was attended by a large number of students of the college, and everyone had a great time cheering on Team India.

The match started at 2:00 PM, and the students started arriving at Mess 2nd Floor at least an hour before that. The college had made arrangements for a large projector screen and a sound system, so that everyone could enjoy the match in comfort.

3. DANDIYA NIGHT

The campus buzzed with vibrant energy on the enchanting 'Dandiya Night' during Navratri. Students swirled and twirled to rhythmic beats, adorned in colorful attire, creating a kaleidoscope of joy.

4. CAMPUS GAMES

"Thrillathon" transformed the campus into an exhilarating arena, with students engaging in spirited conceptual relay races and a thrilling senior vs junior tug of war.

5. TREASURE HUNT

A thrilling treasure hunt activity was organized at the college, bringing excitement and teamwork among students as they deciphered clues and raced to uncover hidden prizes. The event fostered camaraderie and fun memories for all participants.

6. CHRISTMAS

A festive Christmas treasure hunt brought joy and merriment to our college, as students followed clues amidst seasonal decorations, engaging in cheerful competition and spreading holiday cheer.

7. LOHRI

Lohri, a popular Punjabi folk festival, was celebrated with great zeal and enthusiasm at our college. Students and faculty members came together to light a bonfire, sing traditional songs, and perform bhangra, adding joyous energy to the occasion.

The festive spirit and vibrant cultural exchange made the Lohri celebration a memorable and enriching experience for everyone involved.

THANKYOU
