 **SYMBIOSIS INTERNATIONAL (DEEMED UNIVERSITY)**

(Established under section 3 of the UGC Act, 1956) Re-Accredited by NAAC with 'A++' grade | Awarded Category - I by UGC

Symbiosis International (Deemed University)

Symbiosis International (Deemed University) is a multi-disciplinary university offering its students and faculty a vibrant learning ecosystem designed around its multi-cultural and innovative ethos. Established in 1971 by Prof. Dr. S.B. Mujumdar, it is a 'home away from home' for International students. The Institution is based on the principles of Vedic thought of "World as One Family". The University's name fittingly captures the quintessence of the relationship with International students; a mutually beneficial bond between India and the International student community. Symbiosis is committed to building international understanding by offering quality education, and is resplendent of the activities and students of more than 85 countries. Today the university has its campuses spread across four states and 6 cities in India. All the university campuses epitomize the Symbiosis vision, 'Promoting International Understanding through Quality Education' and are a beehive of international students from all across the globe, being privy to Indian culture and hospitality.

The university is awarded the Category-I status by UGC, and an 'A++' grade by NAAC.

The university is also ranked 32nd in the Universities Category of NIRF 2023, and

Ranked 10th in the category of 'University & Deemed to be University (Private-Self-Financed)' in Atal Ranking of Institutions on Innovation Achievement (ARIIA) 2021.

Globally, the Times Higher Education (THE) World University Ranking 2023 has ranked Symbiosis International University amongst the top 801-1000 Universities in the World.

The University is ranked as 140th in the World and 6th in India in Business Management Studies by QS World Rankings (2024) and amongst 261-270 Universities in Asia by the QS Regional Rankings (2024).

It is also the only Indian university to have received the Asia Pacific Quality Label.

Symbiosis Institute of Management Studies (SIMS)

Set up in 1993, SIMS is a premier Management Institute ranked amongst the top B Schools in India. SIMS is a constituent of the prestigious Symbiosis International University and is the only MBA institute of its kind in India and a shining example of PPP (Public Private Partnership) between Symbiosis and Government of India – Ministry of Defence since 2002. Its flagship MBA course is primarily for Defence Personnel and their Dependents with some seats for Civilian candidates. This ideal mix of defence dependents and civilians brings out the best in both and ensures holistic development. SIMS has an ergonomically designed and ideally located campus in the heart of Pune. It provides secure residential accommodation to over 600 female and male students, state of the art facilities and infrastructure. It is truly a "Home away from Home". SIMS is an ISO 9001:2015 quality certified management institute, one of the three institutes in complete Western India. SIMS is an accredited "Centre for Corporate Governance" of the 'National Foundation of Corporate Governance' (established by Ministry of Corporate Affairs and CII) and one of the few recognized as a Centre for Entrepreneurship by Department of Science and Technology. SIMS is the B-School which creates leaders who "Make a Difference". Come and be a part of SIMS, become a leader and "Make a Difference".

SIMSARC'25

The annual international research conference, SIMSARC, is organized by the Symbiosis Institute of Management Studies (SIMS), Pune, to give academics, researchers, scholars, and students an opportunity to participate, present, or publish their research papers. SIMS takes great pleasure in announcing SIMSARC'25, its 16th Annual International Research Conference, to be held between December 16th- 17th, 2025. The earlier editions of SIMSARC have seen active participation from all stakeholder groups including faculty, international academia, students and industry. SIMSARC constitutes an excellent platform for researchers to present their research work and a good networking opportunity to connect with experts. SIMSARC 25 will have different tracks in domain areas as well as separate tracks for doctoral scholars and UG/PG students to present their work to reviewers and experts. **PAPER PRESENTATION IN ONLINE MODE ONLY.**

Celebrating 50 Years of Excellence

Celebrating 16 Years of
Stimulating Knowledge through
Quality Management Research

THEME

The theme is forward-looking that calls for transforming how societies define and pursue progress. Moving beyond traditional measures of economic wealth, this theme emphasizes the need for inclusive, sustainable, and human-centered development. It explores how systemic transformation across institutions, whether in business, governance, education, health, environment, or culture can foster long-term resilience and wellbeing. By encouraging collaboration across disciplines, this theme invites scholars, practitioners, and changemakers to contribute insights, frameworks, and innovations that support a more equitable and thriving future for individuals, communities, and the planet.

Disciplines covered - Business & Management, , Governance, Law & Public Policy, Education , Healthcare & Public Health, Science, Technology & Engineering, Environmental & Earth Sciences, Social Sciences & Humanities, Political Science & International Relations, Literature, Arts & Media.
