

TEAM SUR

Respected IT Cell,

We would like to request for the following changes in SUR section:

1. Name to be changed from "sur" to "SUR Club".
2. Add the following data in 'About' and 'Event' section with all the photos added below.

Thankyou

Regards,

Team SUR

ABOUT

Welcome to Team SUR, the music club of SIMS, formed in 2005 where passion meets melody and rhythm resonates with creativity.

With a rich tapestry of musical genres, from classical symphonies to contemporary beats, our club welcomes students from all backgrounds and skill levels to come together and explore the boundless possibilities of music.

As active participants in the college's cultural scene, we perform at various events throughout the academic year, adding our unique flair to concerts, festivals, and talent shows. Additionally, we eagerly engage in competitions such as Battle of the Bands, where we showcase our talents and passion for music while representing our college with pride.

Join us on a journey of musical exploration and expression, where every strum, beat, and melody contributes to the sound that defines our club. Together, let's create harmonies that resonate not only within our hearts but also throughout our campus and beyond.
